

## **THANK YOU, YOUR REGISTRATION WAS RECEIVED AND YOUR SPOT IS RESERVED.**

Check in will be in the gym/office building from 3:00-5:00<sup>pm</sup>. Pick up will be in the dining hall at 12:30. If someone other than your parent is picking you up, please have that information available for us during registration. If you are bringing medications please include clear written instructions for the camp nurse and staff. All meds will be kept and distributed by the nurse.

If you have any questions about your week at camp, either call or send an e-mail (e-mails work best this time of the year). We are really happy that you are coming. Get ready for the best week of your summer!

### **THINGS YOU NEED TO DO OR KNOW BEFORE YOU COME TO CAMP**

1. **Medical Info:** If you have not already submitted a medical form, please print one from the Camp Cotubic website: [www.campcotubic.com/pdf/Cotubic-Registration-Print.pdf](http://www.campcotubic.com/pdf/Cotubic-Registration-Print.pdf) (Page 2). Mom, please provide us with accurate emergency phone numbers. Also, please be sure to give us an alternative person to contact in case you are not available. Be sure to include any food allergies.
2. **Registration and pick up times:** Check in is 3:00-5:00. Also, **we know you're excited but PLEASE DO NOT ARRIVE EARLY!** Campers from the previous group might still be here, and we're busy getting ready for your great week of camp. **Pick Up is at 12:30.** If someone other than a family member is picking you up please provide us with a signed release permission note for your file.
3. **Cell Phones:** We realize that almost every camper will own a cell phone. However, due to the potential liability involved with inappropriate picture taking and the good potential of the phones getting lost or damaged, we will collect all phones during registration. They will be kept in the office. If for some reason your camper needs to make a call they will be available. Please keep in mind that our daily schedule is packed full and there will be little time for someone to assist them. So please don't ask them to call home if at all possible. Thank you for your understanding.
